Ocean Bank Chooses NCR Atleos Allpoint Network

October 1, 2024

ATLANTA--(BUSINESS WIRE)--Oct. 1, 2024-- [NCR Atleos](#) Corporation (NYSE: NATL) ("Atleos"), a leader in expanding self-service financial access for financial institutions, retailers and consumers, today announced that \$6.4 billion-asset [Ocean Bank](#) has selected Atleos' [Allpoint Network](#) to support its growth while widening customers' access to cash and financial services.

Ocean Bank is the largest independent state-chartered commercial bank headquartered in Florida. The bank is continuing to expand across the state and recognized the need to strategically provide convenient physical touchpoints for customers in new communities. By joining Atleos' Allpoint Network, the bank can provide surcharge-free access to over 40,000 ATMs in trusted retail locations across the country.

"Customer service and convenience are integral elements of Ocean Bank's mission. Over the past five years, we have brought state-of-the-art digital banking to our customers, and we are committed to maintaining this high caliber customer service and wide accessibility even as we continue to grow and expand to new markets," said Yuni Navarro, executive vice president and chief administrative officer for Ocean Bank. "Teaming with Atleos allows us to quickly and effectively deliver additional easy and secure points of access for customers where they already live, shop and travel."

"Our years of proven success and deep understanding of the financial technology landscape make Atleos the leading provider of utility ATM networks," explained Steven Nogalo, general manager of North America for Atleos. "We are excited to collaborate with Ocean Bank as they join Atleos' Allpoint Network and gain an efficient, quick way to expand access to cash and other critical financial services for their customers and communities."
